Welcome to Our Product Catalog

Each product made by our students is a reflection of their journey, creativity, and determination. With every step, we aim to shift the narrative from disability to possibility,

About Us

Nirantar Prayas is a dedicated initiative committed to nurturing the abilities of individuals with autism and other developmental challenges. We provide a safe, supportive, and inclusive environment where neurodiverse individuals can grow with dignity, develop essential life skills, and find meaningful expression through vocational and creative pursuits. Whether it's through art, craft, sports, or structured routines, our focus is on empowering each individual to achieve independence and a sense of purpose.

At Nirantar Prayas, we believe that every person has potential waiting to be unlocked.

Creating a community where inclusion is not just a goal, but a way of life.

About Our Products

Handcrafted from the heart - A Collection by Neurodiverse individuals

This catalog showcases a unique range of handcrafted products made by the talented neurodiverse students of Nirantar Prayas. Each item is a celebration of their creativity, resilience, and growth

At Nirantar, we believe that ability shines through opportunity. These creations are not just products — they are powerful symbols of inclusion, skill-building, and the belief that every individual deserves the chance to contribute meaningfully.

Designed to meet a diverse range of gifting and personal needs

From hand-painted stationery and home décor to eco-friendly gifting items and textile-based crafts, every product is thoughtfully made with care, patience, and joy. While the designs may be simple, they carry a depth of purpose and the pride of being created with dignity and self-expression.

The Stitch Collection

Each cross-stitched product from Nirantar Prayas is more than just a handcrafted item — it's a celebration of skill, patience, and possibility. From vibrant tote bags and charming pouches to elegant placemats, every piece is thoughtfully made by our neurodiverse students, turning threads into expressions of independence and dignity.
